

The Sixth Annual All Metal Dash Weekend And Land Rover Swap Meet

September 25-26-27, 2009

5 Doe Valley Rd., Petersham, Massachusetts 01366

All Land Rover owners and enthusiasts are welcome to join us in free onsite camping, swap meet, vehicle displays, and tech sessions, off road adventures, driving course, good people and good times for all.

Friday: Check in, set up camp, visit the local attractions, meet new people and say hello to old friends.

Saturday: Swap meet starts, tech sessions with Les Parker of Rovers North on transmission diagnosis and repair, with other in the works. In the afternoon there will be various degrees of off roading or compete on a short driving course.

Sunday: Starts off with a green lane adventure to the local country store for lunch and return to swap more parts, ideas and stories. Breakfast on Saturday and Sunday will be cooked by Les Parker and volunteers. The event is centrally located in New England and is accessible from anywhere and all are encouraged to come, suggested donation of \$10 to help cover costs and expenses. Please bring your spare parts to sell or trade.
